

JOB OFFER

Position in the project:	Research Group Leader - PRINCIPAL INVESTIGATOR in in the area of computational (bio)polymer chemistry
Scientific discipline:	Computational (bio)polymer chemistry
Job type (employment contract):	Full- time, temporary employment (end of 2023) with possibility to extend
Number of job offers:	1
Remuneration amount/month:	Gross yearly salary in the range 247000 – 307000 PLN (including 13th salary) based on the qualifications, With full public health insurance and paid holidays
Position starts:	November 2022
Maximum period of contract/stipend agreement:	Till the end of 2023, with possibility to extend
Institution:	Lodz University of Technology - International Centre for Research on Innovative Biobased Materials (ICRI-BioM)
Project leader:	Prof. Alexander Steinbüchel, prof. Piotr Paneth
Project title:	International Centre for Research on Innovative Biobased Materials (ICRI-BioM). Project is carried out within the MAB PLUS – International research Agendas programme of the Foundation for Polish Science
Project description:	It aims at the creation of an excellent scientific unit that focuses on combining polymer chemistry with molecular biosystems engineering experimentally and with the aid of computational sciences.
Key responsibilities include:	Successful candidate will lead research group in the area of computational (bio)polymer chemistry.
Profile of candidates/requirements:	<ul style="list-style-type: none">• Candidates should have at least a Ph.D. degree or habilitated doctor and at least 10 years (senior) or 3 years (junior) of experience in (bio)polymer computational chemistry or molecular biosystems, international recognition for research accomplishments (ideally comparable to the ERC level), and possess effective leadership skills, together with a record as a mentor (senior position) of young scientists.
Required documents:	Interested candidates are requested to e-mail the following documents in a single PDF file. The e-mail should have a subject line: “ICRI-BioM PRINCIPAL INVESTIGATOR” . <ul style="list-style-type: none">• Application for employment to the Rector of Lodz University of Technology;• Personal questionnaire for a person applying for employment at Lodz University of Technology (annex 1.1), data privacy statement (annex 1.2), and consent to processing of personal data (annex 1.3) – all available at Microsoft Word - Annex no. 1, 2, 3 (lodz.pl);• Copies of diplomas;• brief CV (up to 3 standard pages);

	<ul style="list-style-type: none"> • up to 10 key research and/or implementation achievements (a single achievement is e.g. full text of a publication or a patent, etc.); • list of key projects for which the applicant was granted funding or played a major role; • list of key conference speeches or lectures delivered by the applicant (senior position: at the invitation of hosts, indicating the names of the host); • description of the applicant's experience in research-industry cooperation and successful implementations (up to 1 pages); • senior position only: description of the applicant's skills in guiding students' research (up to 1 pages); • senior position only: description of the applicant's research management experience (up to 2 page); • senior position only: description of unique features of the achievements obtained in the last ten years and their influence on the development of a given scientific field (up to 3 pages). • Cover letter; • CV (up to 3 pages) which should include: the list of publications and main conference presentations, the list of research projects in which the candidate was involved, potential experience in grant proposal preparation and experience in academia-industry collaboration, contact data to two referees and other key achievements; • Research statement (up to 2 pages).
We offer:	<p>Starting date November 2022</p> <p>Contract until the end of 2023 (with conditional renewal)</p> <p>Full public health insurance</p>
Please submit the following documents to:	icri-biom@adm.p.lodz.pl
Application deadline:	8th October, 2022.
